2ndVote

When you tap
the new icon,
Company Scores
page opens

The screenshot shows the 2ndVote mobile application interface. At the top is a blue header with a hamburger menu icon, the 2ndVote logo, and a search icon. The time 9:13 is displayed in the top right corner. Below the header, the page title "Company Scores" is prominently displayed. A descriptive paragraph follows, explaining that users can search through a database of company scores by name, industry, or social issue. Below this text are three search filters: a text input field for search terms, a dropdown menu for "All Industry Categories", a dropdown menu for "Issue Scores", and a dropdown menu for "Sort by Score". A blue "GO" button is positioned at the bottom of the search section. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.

9:13

Company Scores

Use the form below to search through our database of company scores. You may search by company name and narrow your results by industry and/or social issue.
